\* Using pictures to create a math story and finding the answers.

#### Literacy:

\*This week we are beginning to write our own stories.

\*Practice writing letters

Social Studies/ Science: Rules and laws

Sight words: man, than, bad, dad, that, can, man, fan

Phoneme: TH CH

### Important Information

Reading bags will be sent home each week with two books. Students will read two books a night and I will also have a reading log for you to fill out as well. Since I have not started testing, the books may be too easy or difficult for them. Send me a note and I will change their level. Students will also have math homework each day as well. Please refer to the problem set papers we complete during class to use as a resource if needed.

Have a great week everyone!!!! If you have any questions or concerns please email me or leave a note in your child's folder☺ Let's make it a great week! -Miss Boehmer
