

NCS- Digital: Thinking About Going Digital?

Are you thinking about going Digital? NCS-Digital provides a public education for 1st-12th Grade Students in a digital setting. Please read through the day to day life of an NCS-Digital student before committing to digital.

*** Students are required to be online, with cameras on, 7:40 - 3:00 every day, Monday-Friday.**

* Each class is hosted on Zoom and students are REQUIRED to attend class at the designated day & time.

* Daily attendance is taken during Morning Meeting as well as each period.

* Our Open Zoom time is offered to students who would like assistance with their coursework.

* If you are a high school student that is deficient in credits, your credit recovery program is the same as Newark High School, which is PLATO.
