Dear Parents and Guardians,

Wow! What a wonderful and fast summer! I am revitalized and ready to get back to teaching!

My name is Faith Amore-Reed. This is my 17th year teaching, all with Newark City Schools. The first eight years were at McGuffey Elementary. The last eight years and I was one of the itinerant Adapted Physical Education Specialist for the district. I traveled amongst five buildings throughout the district. This year I am fortunate to call Ben Franklin my "home". I will be here full time and have the privilege to teach your children. I am married and have 4 children of my own. My oldest, Carsie, is 13 and started 7th grade this year. I also have 4 year old triplets. Their names are Canyon (Boy), Caddison (Girl) and Campbell (Girl).

I am looking forward to working with you and your children. In order for your child to participate to their best ability it is imperative that they wear tennis shoes on their respective days. Please help your child remember this! The schedule of classes is listed below.

If you have any questions regarding physical education you may contact me at famore@laca.org or send a note to school with your child. Thank you in advance for your cooperation. I look forward to being a part of the Ben Franklin staff and working with your children!

Sincerely,

Faith Amore-Reed
Mrs. Reed
