Campbell's Class

Reminders

Homework:

Math-

Our blue folders are FINALLY in which means students will start getting nightly Math homework tomorrow (Wednesday). They should bring this back to class each day, but I will accept Math homework for the week until Friday in order for it to "count" for an award.

Reading-

Reading calendars go home at the beginning of each month (this month they were on blue paper). Please sign these the nights your child reads and make sure they are back at the end of the month. Each month we try to meet a new goal! (if these get lost please write a note or have your child ask for a new one)

Remember if you have questions or concerns I am available at kkcampbell@laca.org or 740-670-7340

Behavior Calendars

On the front of each folder is a section you can see how your child is doing each day. Please remember that yellow is just a warning and early in the year it is common to see this as we are remembering basic school rules and procedures.

Our class is off to a pretty good start with behavior!

FORMS

I still have some forms missing from the folders sent home during Open House or the 1st Day. Please return these as soon as possible!

Specials

Monday: Music

Tuesday: Art

Wednesday: Gym

Thursday: Music

Friday: Gym & Library
