

APRIL/MAY Newsletter~ Mrs. Hays

Welcome back! I hope you all had a nice relaxing spring break. Please continue to read a few days each week. Now that the weather is getting nice, laying a blanket out or sitting under a tree with a book can be a nice way to get some reading in. Reading at home will help your child to improve their reading skills. We will be continuing reading groups when we are not testing. We will continue to work with the LLI program over the next few weeks. Comprehension will be our main focus this month with the hopes that our hard work will show good yearly progress. **Please make sure your child**

gets plenty of sleep during these important weeks.
